What We Do

St Ethelburga’s is a maker of peace-makers. We inspire and equip people from all backgrounds to become peace-builders in their own communities and lives.

In 1993 an IRA bomb detonated on Bishopsgate, almost completely destroying the church. Yet vision, creativity and commitment ensured that ten years later it opened its doors once again in a new incarnation.

St Ethelburga’s has become an iconic symbol of the opportunities for growth and evolution that are hidden within crisis and conflict.

Sharing our space, with its unique story of hope, is an important part of what we do.

We have two spaces and a dedicated venue hire team. We host all sorts of events from public focused / community events, to large scale corporate functions, fashion shows and filming, as well as wedding receptions and religious/spiritual gatherings. We welcome people of all faiths and creeds, non-religious and seeking. People of all nationalities, gender/sexual identities.

Refreshments

St Ethelburga’s can provide tea, coffee and biscuits for small groups, or a full catering service. Please get in touch for menus. If you are an individual or small charity you are welcome to provide your own sandwiches or buffet style lunches / refreshments. The kitchen has basic crockery and cutlery which you are free to use, but if your event is more formal (or if you don’t want to do the washing up) you may want to hire in your own or bring paper cups / plates.
